- 25X1 1. [ ] ten swept-wing jet planes flew over Ningpo (N 29-54, E 129-32) (F-3). Later in the day ten jet planes of the same type were at an airfield that was approximately one mile northwest of Litushih (N 29-48, E 121-28).<sup>1</sup> [ ]
- 25X1 2. [ ] training planes from Nant'ai Airfield (N 26-00, E 119-19) were circling over Foochow.
- 25X1 3. [ ] transport planes carrying supplies were landing and taking off regularly from Nant'ai Airfield.<sup>2</sup>

- 25X1 1. [ ] Comment. The airfield located one mile northwest of Litushih, listed as Yinhsien, Lishe, or Ningpo Airfield, was abandoned and unserviceable [ ] and there has been no evidence of its subsequent rehabilitation. It is possible that the ten planes were incorrectly reported on this field rather than on the recently reconstructed Changch'iao Airfield, about ten miles northwest of Litushih, at which jet planes have been frequently reported.
